CERTIFIED LEGAL VIDEO SPECIALISTS

**Because you only
have one chance
to get it right**

Phone: 215.918.0209

Thomas W. Liebmann, CLVS
Bachelor of Science, Univ. of Florida
Christopher K. Gebhard, CLVS
Bachelor of Arts, Eastern College

Education counts

Both Chris and Tom are certified by the National Court Reporters Association, which is the only certification that requires classroom instruction, a written examination and hands-on test.

Tom has been a member of the **Certified Legal Video Specialist** Council since 2001 and is nationally recognized as a leader in the legal video field. As a Council member, he conducts seminars across the United States and serves as an evaluator for candidates seeking certification.

Standard Deposition Package

- ❖ Videographer on site one hour prior to scheduled start time
- ❖ One set of digital master tapes recorded on site that is converted to the format of your choice
- ❖ One set of DVDs recorded on site and placed in the Legal Media Archive for safe-keeping and for dubbing copies
- ❖ Individual lavalier microphones for the deponent, examining attorney and opposing counsel to ensure the highest quality sound recording
- ❖ Additional lighting for situations where normal room lighting is insufficient
- ❖ Neutral backdrop used to eliminate distracting backgrounds

Standard Courtroom Playback Package

- ❖ Video technician set-up and ready when you need playback
- ❖ Video displayed using professional-grade multimedia projector, video digitalizer and 5'x5' screen (Monitors available upon request)
- ❖ Audio amplified for superior sound quality
- ❖ Document camera and laptop available with advance notice
